## I.

## FINDINGS OF FACT

1. Travis A. Richey ("RICHEY") is an individual residing in Maricopa County, Arizona.

2. Trademark Capital Management, LLC ("TCM") is a limited liability company formed in Arizona on November 6, 2007 with its principal place of business in Phoenix, Arizona. RICHEY is the sole Managing Member of TCM.

3. Blue Investments, LLC ("BLUE") is a limited liability company formed in Arizona on November 6, 2007 with its principal place of business in Phoenix, Arizona. RICHEY is the sole Managing Member of BLUE.

4. TCM, BLUE, and RICHEY may be referred to collectively as "Respondents," as the context so requires.

5. RICHEY and Melissa Boyd, a/k/a Melissa Richey ("M. RICHEY") were married on May 23, 2008 and are still married. M. RICHEY may be referred to as "Respondent Spouse." Respondent Spouse was joined in this action under A.R.S. § 44-2031(C) solely for purposes of determining the liability of the marital community. From at least May 23, 2008 to the present, RICHEY has been acting for his own benefit and for the benefit or in furtherance of the marital community. At all times relevant, Respondent Spouse resided in Arizona.

6. From at least December 2007 to July 2008, Respondents offered and sold securities to at least thirteen (13) investors within or from Arizona, for a total of at least \$3,028,850.24. Of this amount, at least seven (7) investments totaling \$1,752,850.24 were sold after RICHEY and Respondent Spouse were married.

7. Respondents will be credited with restitution paid to investors in the amount of \$27,970.00, of which \$18,050.00 was paid to investors after RICHEY and Respondent Spouse were married.

**TCM WEBSITE OFFERING**

8. From at least April 7, 2008, TCM, solicited the general public through the TCM website at <http://www.trademarkcapitalmanagement.com/>, including a Potential Arizona Investor ("PAI"), by providing on the TCM website under an Investment tab, among other things, as follows:

**"[...]. WE ARE OFFERING UNSECURED NOTES WITH 24-MONTH TERMS BEARING AN ANNUAL PERCENTAGE RATE OF 24% ("APR"). INTEREST WILL BE PAID MONTHLY OR QUARTERLY AS ELECTED BY INVESTOR. THERE IS NO AGGREGATE OFFERING LIMIT UNDER THIS OFFERING. [...]." (bold emphasis added)**

9. TCM's website at <http://www.trademarkcapitalmanagement.com/> was still available on the internet for viewing by the general public, as of May 13, 2008, for all internet users to view the unsecured promissory notes solicitation and investment description, without password protection or restricted access.

10. TCM is not a registered dealer or salesman.

11. The unsecured promissory notes are neither registered nor exempt from registration.

**BLUE PROMISSORY NOTE**

12. BLUE, offered and sold unregistered securities, in the form of a promissory note(s), within or from Arizona. The promissory note(s) was executed by RICHEY as managing member, on behalf of BLUE.

13. RICHEY solicited PAIs and/or investors directly or through third parties, some of whom, who received compensation for referring investors.

14. RICHEY, on behalf of BLUE, executed a promissory note with at least thirteen (13) investors within or from Arizona, with promised annual rates of return ranging from 24% to 60% for a total of at least \$3,028,850.24. Interest was due monthly or quarterly as elected by the investor.

1           15.     RICHEY represented to at least one investor that their monies received would be  
2 pooled and then submitted to a bank, then the bank would use the monies as collateral to borrow  
3 from the Federal Reserve, up to ten times (10x) the investor amounts pooled and submitted to the  
4 bank.

5           16.     RICHEY represented that the money borrowed by the bank through the Federal  
6 Reserve would allow the bank to conduct its business and lending operations to obtain high returns  
7 and this allowed the bank to pay RICHEY, who in turn could pay the investor their stated returns.

8           17.     RICHEY represented that the investment was safe and that the only risk of loss is if  
9 the bank were to go bankrupt.

10          18.     RICHEY represented to another investor that the promissory note payments would  
11 be derived from BLUE's "capital leasing" operations which involved third parties. However,  
12 RICHEY failed to provide adequate disclosure regarding this "capital leasing" transaction,  
13 including but not limited to, BLUE's financials, background, experience or balance sheet and failed  
14 to provide adequate disclosure of the third party involved, including but not limited to, the third  
15 party's identity, financials, background, experience and balance sheet.

16          19.     RICHEY represented to at least one investor that their rate of return and/or  
17 investment was guaranteed. However, RICHEY could not guarantee such a return since the  
18 investment was unsecured and in fact missed certain interest payments. At least one investor has  
19 requested the return of their principal investment and has not been repaid.

20          20.     BLUE is not a registered dealer and RICHEY is not a registered salesman with the  
21 commission.

22          21.     The BLUE Promissory note(s) are not registered securities or exempt from  
23 registration.

1 **SHELF CORPORATION PROGRAM**

2 22. From at least February 6, 2008 RICHEY, publicly offered unregistered securities in  
3 the form of investment contracts within or from Arizona, to at least one PAI.

4 23. RICHEY, presented two (2) opportunities to the PAI to invest their monies with  
5 RICHEY to obtain a return based on his investment management and efforts.

6 24. RICHEY solicited PAIs and/or investors directly or through third parties, some of  
7 whom, who received compensation for referring investors

8 25. The first investment opportunity described was a direct investment by the PAI  
9 and/or investor into what RICHEY commonly referred to as a "Hedge Fund" that he represented he  
10 managed and that had assets of approximately \$117,000,000.

11 26. The PAI and/or investor who invest into the Hedge Fund would obtain a return  
12 based on RICHEY's management and control; however, RICHEY does not manage a fund with  
13 assets of approximately \$117,000,000 or any value close to it.

14 27. RICHEY also presented a second investment opportunity, when he represented to a  
15 PAI and/or investor that he could obtain borrowed money for the PAI and/or investor to invest into  
16 the Hedge Fund by following the multi-step program, which was to (a) purchase a "Shelf  
17 Corporation" from RICHEY (b) obtain an unsecured, revolving line of credit through the Shelf  
18 Corporation with RICHEY's aid and connections and (c) invest the monies received from the line  
19 of credit in RICHEY's Hedge Fund, to secure a profit and stated return.

20 28. In describing the first phase of the multi-step program to obtain borrowed money to  
21 invest, RICHEY represented that a Shelf Corporation is a corporation that usually is only  
22 established in name, has no assets or liabilities, kept for a certain period of time to give the  
23 appearance of business history, and is available for immediate purchase.

24 29. RICHEY also represented that, among other things:  
25  
26

1           a)     He has Shelf Corporations that are aged 10 years; however all LLC filings  
2 with the Commission reveals that the oldest LLC that RICHEY owns or is a member of is one from  
3 2005;

4           b)     That purchasing a Shelf Corporation would grant the PAI access to  
5 investment capital; and

6           c)     That he has relationships with reputable, long established lenders such as  
7 Bank of America, Washington Mutual, Chase, and Wachovia;

8           30.     For the second phase of the multi-step program to obtain borrowed money to invest,  
9 RICHEY represented that he would secure the line of credit for the PAI and/or investor.

10          31.     RICHEY also represented, among other things:

11           a)     That approval of a credit line from lenders would be obtained within 45 days  
12 from the purchase date of a Shelf Corporation; and

13           b)     That he was currently acquiring unsecured and revolving lines of credit  
14 ranging from approximately \$500,000 to \$2,000,000, with no personal guarantees needed, from the  
15 above lenders.

16          32.     The TCM website also provided a general overview of shelf corporations.

17          33.     In the final step of the multi-step program to obtain borrowed money to invest,  
18 RICHEY stated that he would manage the funds secured from the line of credit by investing into a  
19 pre-existing Hedge Fund that he controlled and that had assets of approximately \$117,000,000, to  
20 secure a guaranteed return of 2% per month or 3% if payments were made quarterly. However,  
21 RICHEY does not manage a fund with assets of approximately \$117,000,000 or any value close to  
22 it.

23          34.     The Hedge Fund was described as conducting "capital leasing" activities with third  
24 parties. However, RICHEY failed to provide adequate disclosure regarding this "capital leasing"  
25 transaction, including but not limited to, the Hedge Fund's financials, background, experience or  
26

1 balance sheet and failed to provide adequate disclosure of the third party involved, including but  
2 not limited to, the third party's identity, financials, background, experience and balance sheet.

3 35. RICHEY represented to at least one PAI or investor that he holds a National  
4 Association of Securities Dealers ("NASD<sup>1</sup>") Series 6 Investment Company Products & Variable  
5 Contracts Representative, NASD Series 7 General Securities Representative, and NASD Series 63  
6 Uniform Securities Agent State Law brokerage licenses. However, RICHEY does not hold any of  
7 the above licenses.

8 36. The investment contract(s) are not registered securities with the Commission nor  
9 exempt from registration.

10 37. At all times relevant, neither RICHEY, BLUE nor TCM were registered as a dealer  
11 or a salesman with the Commission.
